

**AMENDMENT TO THE SPECIFICATION**

Please amend the specification by marked up replacement paragraph(s) as follows.

Please amend page 2, paragraph [0005] of the originally file specification as follows:

[0005] An object of the invention is to provide a method, an apparatus, and ~~a computer-readable program product comprising a computer program code embodied on~~ a computer-readable storage medium carrying one or more sequences of one or more computer-readable instructions. The computer-readable instructions, ~~program code~~ when executed by a processor, cause[[s]] the apparatus to implement the method so as to alleviate the above disadvantages. In other words, the object of the invention is to provide a method for automatically determining cluster centres, such that the method is easily implemented in a computer system.
